

ABOUT US

SUNRISE aims to foster the agroecological transition by establishing a network of agroecological living labs (AELs) across 10 European countries

DIVERSE FARMING SYSTEMS

- Arable systems
- Livestock & Agroforestry
- Vegetable & perennials crops

NETWORK & COLLABORATION

- create, consolidate and upscale AELs network
- Local & European Lighthouses

POLICY & IMPACT

- co-create ideas on policy instruments
- Guidelines for successful AELs

SUPPORTING THE
AGROECOLOGICAL
TRANSITION
THROUGH LIVING
LABS NETWORKS

THE 11 STEPS OF THE SUNRISE PARTICIPATORY APPROACH

AGROECOLOGICAL LIVING LABS (AELLs)

Agroecological living labs (AELLs) are framed at sub-regional or regional level and are based on networks of

actors (multi-actor teams, MATs) already engaged in agroecological practices/value chains at an early or advanced stage.
